## **Livestream consultant job description:**

Right Click Solutions is currently looking for several livestream consultants to manage and operate our client's events. This is a remote part time position requiring a minimum of one hour during the weekday and weekend availability for livestream events.

### **Responsibilities**

- Collaborate with client prior to event to discuss overview of the event and all pre-production details including the timing, camera views and angles
- Operate and manage weekend Live Stream events
- Troubleshoot and resolve any issues prior or during Live Stream events

### **Requirements**

- Strong desire to learn along with professional drive
- Excellent verbal and written communication skills
- Effective and timely client and team communication
- Basic computer skills with remote access experience
- Organized and dependable when managing livestream events at specific times
- Reliable, high-speed internet connection from remote workspace
- Preferred HD live streaming bandwidth upload rate of at least 10 mb/sec from remote workspace
- \*Training of the company's current livestream workflow will be provided
