Employment Opportunities at Right Click Solutions

Right Click Solutions is looking for dedicated operators for livestream events. This is a part time opportunity for a consultant who will be trained in remotely managing streaming events for local temples and religious organizations.

In addition, Right Click Solutions is offering a 1st or 2nd semester paid college internships for current college students studying in the technology and marketing fields.

We are actively connecting with colleges and universities via college career networks.

For more information, see job descriptions below. Call us or email your resume to team@rcsllc.net.
